HAFEEZ K H

Python Developer | Backend Developer (Django / REST APIs)

+91 9400182500 | hafeez12kh@gmail.com | Kerala, India | linkedin.com/in/hafeez-kh | github.com/hafeez12kh

PROFESSIONAL SUMMARY

Python/Backend Developer with hands-on experience building REST APIs and web applications using Django, Django REST Framework (DRF), and Flask. Experienced in JWT-based authentication and authorization, containerizing applications with Docker, using Redis for caching, writing unit tests with pytest, validating endpoints with Postman, and Git-based workflows including feature branching and code review. MCA graduate specialized in AI & Machine Learning, seeking to contribute to a product engineering team as a Software/Python Developer.

TECHNICAL SKILLS

Languages: Python, Java, C, C++, SQL
Backend / Frameworks: Django, Django REST Framework (DRF), Flask
API Development & Testing: REST API Design, Postman, API Testing, JSON
Authentication & Security: JWT Authentication, OAuth-based Authentication, Role-based Authorization, Password Hashing, API Permissions
Testing: pytest, Unit Testing, Debugging
Databases & Caching: PostgreSQL, MySQL, SQLite, SQLAlchemy, Redis
DevOps & Tools: Docker, Docker Compose, Git, GitHub, VS Code, MySQL Workbench
Frontend: HTML5, CSS3, Bootstrap
Concepts: OOP, MVC Architecture, REST APIs, System Design Basics, Testing & Debugging

WORK EXPERIENCE

Backend Developer — Live Industry Project — Iqraamark Pvt. Ltd. | *May 2026 – Aug 2026*

- Completed a three-month live industry project (IQRAAMARK Store) as Backend Developer, building backend services using Docker and Redis.
- Gained practical exposure to professional workflow, cross-functional team coordination, and real-world task delivery. Certificate of Live Project Experience issued (ID: IQM-DPE-2026-08).

Web Development Intern — Cognifyz Technologies | *Feb 2026 – Mar 2026*

- Worked on frontend-backend integration and REST API implementation for client-facing features.
- Used Postman for API testing and validation; followed Git-based version control with feature branches and code review before merging.

Python Intern — Softronics, Calicut | *Dec 2023 – Jan 2024*

- Developed backend modules using Django and integrated MySQL databases for core application features.
- Collaborated using Git with a branching strategy, raising pull requests and participating in code review; assisted in debugging and unit testing.

PROJECTS

IQRAAMARK Store — *Live Project, Iqraamark Pvt. Ltd.*

- Backend built using Docker and Redis during a three-month live industry project engagement, gaining exposure to real-world backend delivery.
  Tech: Python, Django, Docker, Redis

AttendX — *AI-Based Attendance Management System*

- Built a role-based attendance system with QR-based check-in, anomaly detection, and admin/user dashboards; implemented JWT authentication and role-based authorization with DRF, validated via Postman.
  Tech: Python, Django, DRF, MySQL, JWT, Postman, pytest, Git

PackageHub — *Django Web Application*

- Developed a Django web app with full CRUD operations and database integration; designed normalized models and admin interfaces, containerized with Docker for consistent dev environments.
  Tech: Python, Django, PostgreSQL, MySQL, Docker, Postman, pytest, Gunicorn

E-Commerce Backend — *Django REST Framework*

- Built a DRF backend with a custom email-based user model and JWT authentication (SimpleJWT) — registration, login, token refresh, logout, password change; implemented product/category APIs with filtering, search, ordering, permissions, and pagination.
  Tech: Python, Django, DRF, PostgreSQL, Docker, Redis, JWT, Postman

EDUCATION

Master of Computer Applications (AI & Machine Learning) — 83% | Dr. Harisingh Gour Vishwavidyalaya | 2024–2026
B.Sc Computer Science — 81% | Mary Matha Arts & Science College | 2021–2024
Diploma in Computer Applications | SCALE Kerala | 2021

CERTIFICATIONS & ADDITIONAL SKILLS

Certificate of Live Project Experience — Iqraamark Pvt. Ltd. (ID: IQM-DPE-2026-08) • AI Prompt Engineering — One Million Prompters • Ethical Hacking • LaTeX

Problem Solving • Communication & Teamwork • Analytical Thinking • Time Management • Adaptability
Languages: English, Malayalam, Hindi
